**INTERDISCIPLINARY PROJECT**  
**THEME – INCREDIBLE INDIA**

India is and will always be an enchanting land known for its diversity in region, religion, culture, languages, food, clothes, handicrafts, festivals, monuments, flora & fauna and its people. As proud India it becomes our responsibility to maintain the true essence of this diversity.

- Make a lapbook with the title “Fascinating India”. Collect information about the following-
  - ✓ Any six Indian Scientists (Their inventions and discoveries with relevant picture)
  - ✓ List famous dishes of any six states and write name of major food nutrients present in each dish.(Paste pictures of dishes)

**Note-** To make your lapbook-

- Take A3 size cartridge sheet and keep it flat on the table
- Fold the sheet from the center to create crease and then reopen it
- Fold each side of the sheet inward towards the center fold
- Crease strongly on the 2 new folds (as shown in the picture)
- Make six small pockets using colourful pastel sheets and label them with the above mentioned different heads
- Put some hand written information along with some pictures related to the heading in each pocket
- You may use some creative ideas of your own to make it appealing.

- Design a pamphlet using A3 size cartridge sheet inviting tourists to visit Rajasthan or Kerala by depicting some unique and special features like its monuments, handicrafts, costumes, festivals, etc. You may use any other highlighting feature of the state of your choice.

**NOTE-** To make pamphlet-

- First divide your sheet into 6 equal sections horizontally
- Then draw or paste a colourful picture in each section, depicting unique feature of the state
- Also add catchy title and a tag line to each section to make it more appealing and informative. (A picture below is given for reference)
- Laminate your pamphlet to give it a neat look.

- Writing a travelogue includes detailed information about travel. If you do not travel to any place you can write about your previous travel experience. Travelogue writing is more effective when accompanied by illustrations such as photographs or brochures.
