

Annual Report

(2022-23)

SCHOOL NAME : THE S D VIDYA SCHOOL

ADDRESS : C-217, SECTOR-49, NOIDA-201301, UTTAR PARDESH

EMAIL ID : sdschoolnoida@yahoo.com

TELEPHONE NO : 0120-4274541, 43

AFFILIATION STATUS : AFFILIATED TO CBSE (PROVISIONAL)

PERIOD OF AFFILIATION : 2022-27

There is always a podium laid for every individual to Dream! To Desire! To Determine! To Decide their Destiny! The SD Vidya School provides the opportunity to discover every approach for its student to bloom into their vibrant colours.

INFRASTRUCTURE DETAILS

Our campus is spread over five acres of land. The building includes two blocks, one single and one three storied block having sixty classrooms, library, music room, dance room, an art room, two air conditioned computer labs. The independent Science Block houses the laboratories for Physics, Chemistry and Biology meant for exclusive use by students of the senior wing. Math, Social Science and Commerce also have hubs of their own. A huge Multi-purpose hall caters to Yoga, Exhibitions & various indoor games like Table-Tennis, Chess & Carom-Board. An auditorium which caters to workshops, assemblies & inter-house events and serves as a movie hall as it is well equipped with state of the Art, Projector and speakers. 75% of the classrooms are installed with interactive boards using top-line digital resources.

The block for little learners i.e. Pre- Nursery, Nursery, Kindergarten up to Class 5 is housed in one of the blocks with abundant and separate playing space. Open areas are landscaped to include a cricket pitch, football, athletics track, volleyball, badminton court, skating and a huge free play area. Karate, Table-Tennis, Football, Volleyball, Cricket & Athletics are some of the popular sports.

Academic Achievements

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours. This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

The overall academic performance has been good. We are dealing with students who mostly are first generation learners. Their performance in the Board Examination was as follows :

Sanskriti Sinha(Humanities) is the school topper with 93.4% followed by Annapurna Upadhyay (Science) with 91% and Deepanshi Singh(Humanities) with 90%.

The stupendous result reflects the perseverance, tenacity and hard work of the students, parents and the faculty members.

Anjali Jha is the topper with 93.4% in class X followed by Shourak Pratap Singh 92.6% and & Nikhil Sharma with 90.8%.

Special Achievements

Continuous accomplishments have been a belief at The S D Vidya school executing which the institution has secured the exceptional 'Gold Award' by the team of Climate Reality Project in the 4th International Conference on sustainable Education on 10th September 2022 for being one of the top green schools in the Delhi NCR region. Furthermore, it has also won accolades by receiving a 'Special Merit Award' for innovation in academics by the Education World puffing up the school with pride.

Environmental Education

Conforming to the guidelines from Directorate of Education & CBSE and to disseminate the message of a better habitable environment the teaching of Environmental Studies (EVS) is placed under both Science and Social Studies syllabi. Collaborative ventures were created between the teachers and community (NGOs). Such collaborations include campaigns on environment awareness, tree plantations, and waste management.

UNDERSTANDING SUSTAINABLE DEVELOPMENT: Keeping in mind role of education in sustainable development to help make the world safer, fairer and more just for everyone we orient and encourage our students to participate in activities such as tree plantations, organic farming, water conservation as practical solutions to contribute to a more sustainable world. We believe that exploring social themes is an excellent way to get students thinking about their wider community and environment, while also delving into the life obstacles faced by others. Besides the new water harvesting plant and solar panelling an extensive effort has been made towards

the 'Go Green Initiative' that the school has undertaken by equipping the school with a clean air purifying system which contributes to good and cleaner air in the classrooms. Along with that tremendous effort has been made to grow air purifying plants which are placed not just outside but in the corridors and classrooms as well. Various classroom activities on "Save Water" and "Save Earth" have been an essential part of the school curriculum.

Innovation

Keeping ourselves in pace with the modern world, Complete Digitization of the school was undertaken which transformed the entire school chores channel through Information Technology, bringing in more transparency and enhanced communication with parents and community specially required during the pandemic.

Ours is a No Profit No Loss organization, providing affordable quality education to children, often from very humble or underprivileged backgrounds. With students mostly falling in the category of first-generation learners, it has become a challenging task to provide a good infrastructure in a regular running school and most of all to ensure continued online education during the lockdown. We are proud to have been able to provide both within our minimum resources.

Every day is special and anything new or innovative we do add further value to the entire teaching learning process.

- **PRIMARY CURRICULUM:** Innovation is anything that leverages creative invention in response to any challenge or a desire to do something different and unique. The S D Vidya School Noida with its pedagogy of 'Experiential Learning' gives its students a platform to demonstrate their learning in different and innovative ways. In keeping with the spirit of encouraging 21st century skills in our students, be it critical thinking, problem solving, decision making, creativity, communication or even improving their IT skills. Children are given the freedom to explore new ideas, to build in the ability to engage with new and unfamiliar situations tasks and people. Children on getting exposure to the Interactive board, where the audio-visual experiences help them acquire knowledge about the world in an easy and joyful way simultaneously develops sensitivity and enhances attention. Children are presented with interesting situations which enable them to reflect on, articulate, share and listen to their thoughts, feelings and learning. In this way they develop fresh perspectives.
- **STEAM EDUCATION:** STEAM in the classroom means discovery in the classroom and engaging students in the 21st Century skills of problem solving & critical thinking. Steam activities provides hands on learning making Mathematics, Science and Art fun and interesting. Emphasis on Steam Education has always been strongly promoted.
- **ENHANCING COMMUNICATION SKILLS:**

1. LEARNING TO COMMUNICATE IN ENGLISH IN THE PRIMARY: The S D Vidya School Noida deals with many a first-generation learner. However, we believe in equipping our students with the English Language skills to become confident learners & speakers through our special communication classes. The core lies in the natural way we acquire a language whether it is our mother tongue or any other language that we constantly hear around us. Language skills are reinforced through storytelling, reading, songs, games & comprehension exercises. Most learning is delivered experientially through guided miming or with actions and games. Communication classes continued during summer holidays as well.

2. SCHOOL ASSEMBLIES: The morning assembly is one of the most important aspects of the school's curriculum at the S.D. Vidya, Noida. It nurtures a positive school ethos. The assemblies at the S.D. Vidya are conducted in the indoor hall equipped with the audio-visual aids. It is in this forum, that the Principal emphasizes expectations for behavior and character. It is here, we celebrate our achievements. It is a ready platform made available to every child to participate & get over his/her stage fright and hone her/his communication skills. The assembly at the S.D. Vidya has an enriching quality. It is a planned event where a positive connection is established between the pupils and the staff. The daily assembly is based on a relevant theme. It features the Gayatri mantra, the prayer song, power point presentations by the students on the theme of the assembly, a stage performance, the thought for the day and the news.

● **HOLISTIC LEARNING:**

CLUBS & ACTIVITIES: A plethora of activities held in the school are a platform for developing the intellectual, emotional, social, moral and aesthetic development in children. Creativity, enthusiasm and positive thinking thus become the hallmark of every student. Activity Clubs help in shaping the personality of the students helping them to respect and learn team work, gain self-confidence & relieve stress. A wide variety of clubs organised in the school make students happy and gain valuable experiences for the future. The various clubs are Speaker, Book, Digital Designing, Eco, Cookery, Art & Craft, Music & Dance and Environmental Club. Students get trained professionally in Yoga, Cricket, Volleyball, Kabaddi, Karate, Football, Skating & Athletics.

3. OTHER ACTIVITIES:

- Celebrating Earth Day with full zeal and fervor by undertaking tree plantation drive, best out of waste and paper bag making activities by students.
- Organizing Cleanliness Drive in the neighborhood areas as a reminder to keep our surroundings clean and green.
- Organizing Adolescent concerns workshop for students to facilitate awareness and knowledge among students with particular focus on hormonal changes, emotional quotient and maintenance of good health & hygiene.

- Regular Workshops on health, hygiene & nutrition were conducted for students.

4. SPORTS : However this academic year we have had to keep our students busy with Yoga, Physical Fitness activities.

PROFESSIONAL DEVELOPMENT:

1. **FOR TEACHERS:** A school is what its teachers are, hence it is necessary to continuously upgrade and hone the professional skills of the teaching staff. Various training workshops were conducted in the school and outside for enhancing the knowledge & skills of the teachers such as Capacity Building by CBSE in different subjects, Personality Development, 21st Century Teaching Skills, Microsoft Trainings and special training on online tools for teaching etc.

2. **FOR STUDENTS:** The 'soul' of a school is its students. The primary purpose of the school is being the holistic development of each child to nurture them as good human beings with the desired knowledge and skills to lead a fruitful and happy life in tune with the changing times. Various workshops and training programs are an ongoing process to impart essential life skills to students such as health & nutrition awareness & adolescent concerns, Career Counselling, Subject specific workshop for senior classes. Special workshops on Safe and unsafe touch, Anger Management, Time management, Procrastination, Empathy, Mindfulness and Importance of consent are also conducted. Besides this, trainings for disaster management have also been conducted online through videos and discussion. They include Fire Safety drill, Earthquake safety & all possible awareness regarding Pandemic and its safety measures through regular information being shared with students and parents in written format as well as videos and PPTs.

Sports Achievement

At The SD Vidya, we encourage an active lifestyle from an early age. Children aged between 5 and 18 at The SD Vidya are advised to engage in "moderate to vigorous" activity for at least 60 minutes a day. They are advised to avoid being sedentary for extended periods.

The sports activities at The SD Vidya include the following; Taekwondo, Skating, Football, Volleyball, Cricket, Athletics & badminton etc. Interschool sports event, including Volleyball matches, Skating, athletics and Taekwondo are an integral part of the school curriculum and organised every alternative year.. Students also participate regularly in CBSE Cluster for athletic & yoga.

PTA

The parents at The SD Vidya are active members of the parent teacher association. The Involved parents understand the challenges school faces and become part of the solution. By developing a closer

relationship with parents, students' achievements improve, and the school develops a positive reputation in the community. PTA works with the school to ensure that children succeed. It focuses on how students need to be successful in their learning, including nutrition, health, school safety, physical fitness and general well-being.

School Management Committee

The management committee at The SD Vidya ensures that the welfare of the teachers and the administrative staff is taken care of. It also ensures that admissions are made with discretions. It discusses both the achievements and challenges faced in the running of the school & offer meaningful solution. The management committee at The SD Vidya fulfils the needs of all its stake holders namely - the students, staff, parents, society, government and its service providers.
